

Universal Home Drainage Kits and Supplies

Dear Patient:

You have been prescribed by your health care provider the Jigsaw Medical Universal Home Drainage Kit. These kits include disposable drainage bottles and all the supplies necessary to manage the fluid buildup due to your pleural effusion or malignant ascites. Your doctor has inserted one or more catheters into your chest or abdomen that will require a consistent supply of Universal Home Drainage Kits.

If you or a family member/care taker will be performing these drainages **without** the assistance of a Home Health Provider and or Hospice, then your drainage kits will be provided to you by Jigsaw Medical. Please contact Jigsaw Medical as soon as you are discharged to order and or confirm the delivery of your supplies. Jigsaw Medical can be contacted at Phone 630-587-0019 Fax 630-524-9088 or info@jigsawmed.com

For insurance purposes, it will be required that you, a family member, or a caretaker are present at the time of delivery to sign for and confirm receipt of the supplies at your home or place of rest.

If your drainage care will be done with the assistance of a Home Health Provider or Hospice they may arrange the ordering of the supplies directly with Jigsaw Medical. If you or your Home Health Provider has questions about ordering or obtaining supplies for your drainage care, please contact Jigsaw Medical at the numbers supplied in this letter.

Please refer all questions about draining your fluid buildup to your nurse or doctor. Any questions that you have regarding supplies please contact Jigsaw Medical at the numbers provided in this communication.

Sincerely,

Jigsaw Medical
